They won all three of their matches, scoring four goals and showed a positive attitude with brilliant teamwork. They have now qualified for the 'finals' on Wednesday 4th December. Parking on Walton Road and Price Road.

We have some issues at school with parents parking in front of emergency access, across dropped kerbs, over junctions and zigzags outside our school. Some of these areas have yellow lines—please adhere to parking restrictions as inconsiderate parking can cause inconvenience to neighbours and other road users.

The existing school entrance markings on Walton Road are 'No Stopping Monday to Friday 8am – 4pm'.

Due to inconsiderate parking across a junction a child was nearly knocked over. To ensure the safety of our children we have spoken with West Midlands Police. The outcome of this is that around the hours of 8.30am - 8.50am, 11.30am and 3.25pm vehicular activity will be monitored. In December parents/staff/neighbours/ members of the public will be asked to take photographic evidence of any vehicle that is causing an obstruction or parked in a dangerous manner. Any vehicle registration number (VRM) we receive will be recorded, published in the school Newsletter and passed on to West Midlands Police where a Fixed Penalty Notice will be issued.

The photographic evidence must show where and how the car was parked and show the vehicle registration.

These actions are legal.

Next term's value is:

Forgiveness
