

Skills Matrix

Skills, Experience and Interest Profile of Members, Trustees and Governors of the Standards and Performance Committee

This questionnaire asks you to declare and rate your knowledge and experience of the following areas. These are examples of employment or community activities that you may have been involved with—of course you are not expected to have knowledge and experience of all of these areas. It is hoped that this information will enable the Trust to recruit a membership of the Board and its Committees that is sufficiently broad and balanced to enable Trustees and Governors to discharge their duties effectively.
