

19<sup>th</sup> April 2021

Dear Parent/Carer,

School photographs

Please be aware that our school photographer, Aperture Portraits will be in school on **Thursday 22<sup>nd</sup> April** taking your child's photograph. They will also be taking photos of children who have siblings within the school.

Once the photographs have been taken, your child will bring an Aperture Portraits Order Pack home with them for you to view the images and place an order if you wish to do so.

Due to Covid 19 government guidelines, Aperture Portraits have made changes to their photography service which are as follows:

- **On photography day your child will bring home a key card for ordering photos. Please note this year image proof cards will not be sent home as done in previous years.**
- **Online ordering only using the key cards your child brings home. This is to avoid transmission of Covid 19 through handling of proof cards and cash.**
- **When logging on please add your contact details as this will allow us to send an alert when your child's images are available**
- **Free postage options available (minimum spend applicable)**

If you would like further information of how the school photos are carried out, please refer to this link:

Please ensure that your child is in full school uniform on the day of the photographs so they look as smart as possible.

Yours Sincerely

Mr M Hill  
Principal
