Dear families

Tameside Primary Academy, Standards and Performance Committee Family Governor Vacancies

In order to comply with the Shireland Collegiate Academy Trust Governance Structure and Articles of Association, Tameside Primary Academy has a Standards and Performance Committee (SPC).

The Standards and Performance Committee currently has two Family Governor Vacancies. I am therefore writing to invite you to express an interest in becoming a Family Governor on Tameside Academy's Standards and Performance Committee.

The Standards and Performance Committee supports the Trust Board and oversees the operational day to day running of the Academy. The membership of the Standards and Performance Committee includes family governors as well as staff and community members to ensure views are received from a range of stakeholders with varying interests in the Academy. A Family Governor on the Standards and Performance Committee is expected to attend 3 meetings and complete a governance training programme each academic year. All new governors will also attend an induction session and receive several resources, both online and written, to ensure they are able to fulfil their role.

The Family Governor will be elected by the families of pupils at the Academy by means of a secret ballot, a ballot will only take place if there is more than one application received. All candidates will be notified if a ballot is to be held.

I feel sure that there are parent/guardians prepared to take on this important role and give their time and commitment to helping us to continue to improve the Academy's performance. If you would like to become a Family Governor, please fill in the Expression of Interest form overleaf and return to the school office.

More information about the Trust can be found at www.shirelandcollegiateacademy.org.uk.

If you have any other queries please do not hesitate to contact Mrs J Dean I by email, admin@tpa.shirelandcat.net.

Yours sincerely

Mr M Hill
Principal
